

Garnllwyd Barns

A vibrant home where
young adults with learning
difficulties can thrive.

Creating Lives Full of Meaning & Purpose

Nature, Nurture & Personal Growth

A Place to Call Home

Garnllwyd Barns is a brand new residential care provision from Elidyr Communities Trust – offering a 52 week residential service to adults with additional learning needs.

A truly wonderful place... a forever home!

Cozy & Serene

Nestled in the heart of the Vale of Glamorgan – the natural surroundings offer a peaceful and calming setting for well-being and personal growth.

Where Everyone Belongs

Diversity and inclusivity are the cornerstones of life at Garnllwyd Barns. We celebrate everyone's uniqueness – ensuring a tailored approach where everyone feels comfortable, valued and respected.

Pillars of Support

Comprehensive Support

Our holistic approach provides each resident with comprehensive and compassionate care. From specialised interventions to everyday emotional support.

Total Communication

We use a combination of signing, symbols, sequence sliders, task lists and social stories to help residents understand and communicate – effectively expressing needs and choices.

Trained Care Team

Our team of caring professionals brings expertise and empathy to every interaction. Trained to support individuals with autism and additional learning needs – they provide a highly structured and carefully managed environment where residents can thrive.

My son has never been happier or more fulfilled than he is living at Elidyr.

Personalised Development

Developing Life Skills

Life skills are at the heart of our day-to-day. Whether it's cooking, managing finances, or keeping a tidy living space – we help residents live enriched and fulfilled lives with a greater independence.

Structure & Purpose

We recognise the need for structure and meaning – fundamental for continued well-being. With a structured week, residents choose and participate in a range of work-related and social activities.

Tailored Support for Individual Growth

Every young adult embarks on a personalised journey – carefully crafted to meet their unique needs. Our dedicated team ensures that each resident's path is as individual as they are – fostering growth and self-discovery.

Expanding Horizons

Personal Growth

Garnllwyd Barns offers a personal development and well-being strategy – including a choice of recreational activities, with an emphasis on healthy-living and emotional well-being.

Vocational Engagement

We implement individual work-related programmes – focussing on the tailored development of skills for work and life.

Active in the Community

Residents are encouraged to make the most of opportunities to participate in sports, exercise, creative activities and volunteering. Encouragement is given to developing hobbies and interests, with regular opportunities to access leisure activities in the community, such as cinema, pubs, shopping, bowling...

Hand-in-Hand

Transparent & Collaborative

Collaboration is key to our approach. We work hand-in-hand with residents, families and support workers to create care plans that support the needs of each individual – keeping parents informed and actively involved in progress.

Delivering Quality

Our commitment to excellence drives everything we do. From continuous staff training to quality improvement initiatives – we're dedicated to providing the best possible care and support – ensuring a safe, enriching experience for all our residents.

Come & See for Yourself...

We're so proud of what we're creating at Garnllwyd Barns and love showing people around... and nothing demonstrates our approach better than meeting the team.
